

Permanent Tooth Trauma Important Info

Prevent broken or knocked out teeth

- Wear a sports mouthguard for any contact sport
- Make sure your lower lip rests in front of your top incisors

If your tooth is:

- Bumped** but in the same position - call us!
- Pushed out of position** - try to reposition it and call us!
- Broken** - if you can find the broken piece, please try and locate it and bring it with you so we can glue it back together.
- Knock out** - locate the tooth

REPLANT IMMEDIATELY- DO NOT TOUCH THE ROOT!

Handle the tooth by the crown part and insert it back into the socket and call us ASAP!

Dental emergency (toothache, mouth pain or accident)
